Europe is a natural leader in offering world-class education and research. Over 500,000 +students from over 100 countries are currently studying in various European Universities, wherein the medium of instruction is English. No matter what you choose to study –Arts, Science, Engineering, Business or Medicine . . . , there are top rated institutions in Europe to provide them at fraction of cost, compared to many other countries of the world.

Why Choose Europe?

- ◆ Top ranking universities.
- ◆ High quality academic programs offered in English.
- ◆ Pioneering research environment.
- ◆ Flexible entry requirements.*
- ◆ Affordable tuition fees and low cost of living.
- ◆ Courses recognized by WHO, UNESCO, EUROPEAN COUNCIL and other international organizations.
- ◆ Schengen visa with access to 26 countries.
- ◆ Scholarships grants and various Funding Options.
- ◆ Practical teaching & industry internship opportunities.
- ◆ Options to study one semester at partner Universities spread across EU (Erasmus scheme)
- ◆ Options for part time/post study work rights
